

## ABOUT THE ORGANIZATION

MDX Hawaii, a subsidiary of Agilon Health (NYSE: AGL), is a value-oriented physician network that represents over 630 primary care physicians and over 2,300 specialists, and hospitals in the state of Hawaii.

MDX Hawaii has been operating in Hawaii for more than 35 years, and is dedicated to improving the health of its 41,000 Medicare Advantage members.

## ABOUT THE OPPORTUNITY

The Market President will have P&L responsibility for the Hawaii market, and be accountable for provider and health plan relationship management. The Market President will bring executive-level experience in managed care operations and network management, and have a history of success in team leadership, collaborative management, and partnership with internal and external stakeholders. An ability to drive results while navigating a complex environment and matrix organization, and the energy and initiative necessary to build and scale operations are essential.

## HOW TO APPLY

Qualified applicants should submit the following, addressed to MDX Hawaii Search Committee, c/o Inkinen Executive Search, via email to [executives@inkinen.com](mailto:executives@inkinen.com), by **February 11, 2022**:

- Cover Letter - expressing the reason for your interest in MDX Hawaii, and how your skills and experiences match the Market President role
- Resume
